

Happy New Year!

New year, New Regal Court!

Firstly we'd like to thank all of our clients for their support, patience during unforeseen inconveniences and jolly Christmas spirit as the year came to a close. We really appreciate your time and efforts to help us help you! As we welcome 2017 in after a topsy turvy 2016, big changes are happening in Regal Court! In mid January, building work will commence on our new reception on the ground floor. This will mean that there will be no reception on the second floor which the Regal Court Centre team are really excited about. We believe this will make maintaining the building standards a lot easier and it will be simpler to keep an eye on the goings on around here! Here's a sneak peak at the a design for the new reception!

The Jungle is back!

Things have gotten a lot greener around here, the plants have returned! Funky Yucca have provided us with some wonderfully vibrant plants that have brought a bit more life back into Regal Court's décor! For any budding plant enthusiasts, our offices have a selection of Sansevieras, Zamioculcas and Draenas from the warm climates of Africa!

Business Centre Touch Ups!

In December the business centre got a bit of a fresh touch up! In late November we received a fresh lick of paint from the wonderful painters at ISM which certainly brightened up the halls of the place. This month we've had Absolutely Fabulous in to clean our carpets for us in the communal areas and the stairways and we had SKS Window Cleaning in to clear our views to the outside world!

A little bit further into 2017 we're looking into getting the whole outside of the building deep cleaned, shaking off all of the grime from the previous year and starting a fresh once the new reception has been completed!
