

Grand Opening of the new reception was a hit!

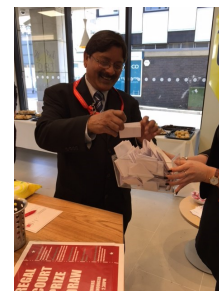

On Tuesday 11th April we at Regal Court reopened with our newly refurbished reception! Many poured out of their offices to come and see the new reception and celebrate with us.

We had spectacular food catered by a local company called JJ Catering, which brought us a selection of hot food and large finger buffet enjoyed by all!

At 11.30am the Business Centre Manager, Fiona Bryan, said a few words of thanks to all who came and to all the suppliers who attended who helped make the renovation possible. She then handed it over to the long serving Site Security Office, Antonio Fernandes who gave an epic speech about the buildings' history, to be followed by a ribbon cutting ceremony to the business centre's revolving doors.

The event allowed clients to mingle as well as introduce themselves to the landlords and various other suppliers they have seen working around the centre. Wonderful staff from our partner, The Copthorne Hotel attended handing out various discounted memberships to their fantastic spa and health facilities.

The high spirits in the room was infectious and the praises about the renovation didn't stop. Everyone seemed to enjoy themselves and haven't stopped talking about the grand opening since, saying how great of an event it was!
