

**November** is a bizarre month, some years it is borderline warm and other years we are wrapping ourselves up!

It is right between fall and winter, and is the month that leads into the end of the year. All the leaves change colours and start to fall from the tree.

The month is referred to as the wind and bloom month by the Anglo-Saxons. It is because November is the month where they killed their animals for food.

The birthstone for November is the topaz with the flower being the chrysanthemum.

**Thames Valley Expo**

Last month we attended the Thames Valley Expo in Reading, displaying Regal Court at its best! We met some amazing people there and we are hoping that we can use our new contacts to benefit the centre and bring something more to our clients!

**Photoshoot of Regal Court**

Last month we had Angus Networks shoot some lovely photo's around the building.

We will be working alongside them to brighten up the centre with amazing photos around the building.

This is all in preparation for our marketing and to show off Regal Court at its best!

With lots of exciting adventures here with billboards, bus stops and newspapers, what will you feature on!?

**Happy Friday**

On Friday 27th October we held our monthly Happy Friday! With a twist... Halloween tricks or treat!!

We made each client choose a card which either had **Trick** or **Treat** on. Treat meant you could help your self to the food straight away, but Trick meant performing a funny task. For example: Hiss like a cat, run around the room like a witch on a broom or tell a joke! Thank you to everyone who participated in the games and got involved in winning some Spooktacular treats!
