

What's happening at Regal Court Business Centre?

February 2018

February

February is the second month of the year and is also the shortest as it is the only month to have a length of less than 30 days. The month has 28 days in common years or 29 days in leap years, with the quadrennial 29th day being called the "leap day."

Its birth flower is the violet and the common primrose.

Thames Valley Business & Community Awards.

On Wednesday 31st January, the Regal Court team and 2 members of Natures Finest Foods attended the Thames Valley Business awards ceremony at The Macdonald Berystede Hotel & Spa in Ascot.

We were all welcomed with champagne and was served a delicious 3 course meal before the awards started, which prepared everyone for the rest of the evening.

With different games and auctions held around the evening to raise money for the 3 selected charities, it reminded everyone they were here for a good cause.

As Regal Court was a sponsor, Sian took to the stage to announce the winner of the 'New Start Up Of The Year Award.' There were many great nominees all recognised for their hard work but the winner was: 'Nest Homecare' who help people and support families with dementia. nesthomecare.co.uk
