

# Thames Valley Business Awards 2018

## Business & Community

### Celebrating the Best of Achievement

**Wednesday 31st January 2018**

On Wednesday 31st January, the Regal Court team and 2 members of Natures Finest Foods attended the Thames Valley Business award ceremony at The Macdonald Berystede Hotel & Spa in Ascot.

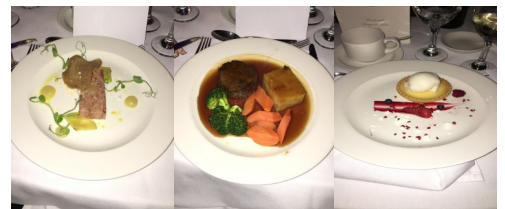

We were welcomed with a champagne reception and greeted by all other attendees of the evening. After being ushered into the main hall, we were served a delicious 3 course meal with the addition of a bottle of wine! We had entertainment from Tiny Tina Turner and some fun games before the awards started, which prepared everyone for the rest of the evening.

Different games and auctions were held around the evening to raise money for the 3 selected charities, it reminded everyone they were here for a good cause.

The award ceremony started and everyone was settling down to listen to each of the categories and the nominees for the awards. It was an inspirational evening to hear what the nominees had done to be shortlisted for the awards. With many stories shared throughout the night of peoples journey to success, we felt lucky to be a part of it.

As Regal Court was a sponsor of the event, Sian Warner took to the stage to announce this years winner of the 'New Start Up Of The Year Award.' There were many great nominees all being recognized for their hard work but the winner was: 'Nest Homecare LTD!' They Specialize in professional, quality and independent home care to enable clients to remain independent, safe and happy in their own home. [nesthomecare.co.uk](http://nesthomecare.co.uk)

This event has raised approximately £10 - £15k for charity!  
 This is definitely an event that Regal Court will take part in again!
