

What's happening at Regal Court Business Centre!?

April 2018

April

April is the fourth month of the year. It's name is derived from the Latin word aperit, which means to open. It is considered that April is the month of the growing season and when trees and flowers begin to "open". It is also believed that the month's name is named after the Greek goddess, Aphrodite (Aphros).

April's birth flower is the daisy and sweet pea. The birthstone for April is the diamond which symbolizes innocence.

Marketing

Over the last few weeks we have had some great campaigns around the Slough area, maybe you have spotted some of them!?

With bus stops located just outside the centre and a billboard placed on the bath road, we hope to make commuters more aware of Regal Court.

We have also recently been featured in the business magazine on a full page article! Something we have worked on as a team and we are very proud of the final product!

Why not have a read online on The Business Magazines website.

3rd floor construction work

As some of you may be aware, we are currently in the process of converting our 3rd floor large open plan office into 6 smaller offices.

With contractors and electricians in and around the centre, we are excited to see the new area which is estimated to be finished on 1st May 2018.

During this time we would like to apologise for any noise disruptions that you may have experienced. We are ensuring that any excessive drilling and loud noise machines are operated outside of business hours, however sometimes this is unavoidable.

Also please can you rinse your items before placing them in the machine, and rinse the sink after you have used it as they are becoming stained with tea & coffee. Thank you!
