

FIFA World Cup 2018

This year was the **FIFA World Cup** which was held in Moscow in July 2018. With this event we selected a charity to raise money for throughout the duration world cup!

Just some of the activities we held: **Sweep stack!** £2 a ticket which announced what team you will be representing, and the person with the winning team will win half of the money from the ticket sales! The other half of money raised will be donated.

The Winner was Rachel from Natures Finniest Foods, who donated her winnings to charity!

Happy Friday! On June 29th we held cakes and treats in reception where people could come and enjoy some treats with a small donation.

We was raising money for **Street Child United** which brings together kids from all over the world for one great big event!
Thank you to everybody who took part and donated!
