

Macmillan Coffee Morning

We would like to say a big thank you to everyone who brought in cakes, came down stairs and donated to an amazing cause. With your guys help we have managed to donate a whopping

£ 90.71

All of us know someone or have met people who have faced this battle and with coffee mornings like this, it goes towards new medicine and methods on making sure each one of them have the best chances of winning this battle.

Halloween at Regal Court

Why not join us on Wednesday 31st October for some spook-tacular treats, cakes and biscuits in reception. Also why not get involved and dress up! Maybe a witches hat to the extrema of Halloween make up we would love to see it all!

New Clients!

With the summer drawing to an end, we have seen many businesses bloom back into action with;

Hex interiors

One of our fastest companies to move in was Hex Interiors! After touring and viewing the office they signed and moved in the same day! Hex Interiors have moved into an office onto the first floor!

We have also had Staff Support Solutions join Regal Court Business Centre after being a virtual client since April! Now expanding to a shared office on the first floor!

World Start Recruitment have also been a long time virtual client of ours joining us back in February 2017. Now have an office on the 4th floor!

With Kenney Scott recently taking on new contracts to help unemployed people develop skills that will benefit them and their working career, they have also seeked more office space on the first floor which they will utilise as a training room! This will be the 4th office they have at Regal Court!

Why not follow us on social media!

Winter Weather...

With the weather getting colder, there will be a chance of snow and ice. It is important all persons adhere to common sense protocols and accept they have a responsibility for personal safety by following simple rules :

Snow and ice present health and safety risks, as the potential for slips, trips and falls increases significantly.

Walk, don't run.

Wear appropriate footwear with a non-slip sole.

Try where possible to keep your hands free of objects in order to aid balance and minimise the effects of a slip, trip or fall.

Allow more time for your journey.

Be mindful of slipping while walking, particularly when using ramps and steps.

If driving be mindful of skidding when leaving car parks as they may not have been gritted.
