Macmillan Coffee Morning

The worlds biggest coffee morning is Macmillan's biggest fundraising event for people facing cancer. Last year they raised an outstanding £27.5 million! And this year they are aiming to raise even more!

The number of people with cancer is growing every day. Macmillan want to reach out and improve the lives of every one of those people. But they need our help to make this happen!

Every cake and cuppa helps make a huge difference to people facing cancer. So on Friday 28th September why not come and join us for some cake!

Either bake one at home or buy one from the shop, we promise we wont tell!
