

Serviced Offices

Are you looking for a serviced office provider which can offer you a prime central location? Do you need to have a flexible contract to move to a larger or smaller office depending on your business requirements? At Regal Court Business Centre we are here to support and help your business grow!

Regal Court has been well established within the local business community for many years and is home to a diverse range of organisations of varying sizes, operating in a number of different sectors, many of whom have been here for several years and have expanded in that time.

Support & Facilities

The management team ensures that the building is efficiently run enabling you to focus on your business. Reception is manned Monday - Friday and available to accept phone calls, mail and deliveries. Creating a good first impression is very important so we are able to greet guests on your behalf and make them feel comfortable whilst they wait.
