

FAREWELL

BUT NOT FOR LONG!

This month we say farewell to our amazing Kathrine! Well she tried to leave but she didn't want to leave us!

Kathrine will be reducing her hours to part time as so completes her masters degree in Biomedical Science at University of East London!

We wish her the best of luck over the coming year!

During this time Kathrine will be stepping back as Meeting Room Coordinator but will continuing her roll as a Customer Service Representative.

Good Luck!

Coronavirus Update

With some businesses yet to return to the centre from a year of lockdown we feel that it is important that we ensure everyone feels safe and comfortable to return to the office.

This includes x1 person / x1 house hold in a lift at a time, limited capacity in the break out areas and visitors encouraged to wear masks in reception and the communal areas. Additionally we will still be providing PPE for clients/visitors if required and hand sanitiser around the centre and break out areas.

However whilst we will no longer enforce the requirement of checking in via track and trace, we will still have this at reception for those who want to continue to use it. We ask that you continue to keep a record of all visitors as a precautionary measure moving forward.

We encourage everyone to work with us during this transition period and to acknowledge that everyone is at different stages of the uplifting of these restrictions.
