癸卯年

In the Chinese culture, the rabbit is known to be the luckiest out of all the twelve animals. It symbolizes mercy, elegance, and beauty. May this year bring everyone good fortune!

### Cups and glasses in the dishwasher

- Please be careful when putting items in the dishwasher, and that glasses and mugs must be placed on the top shelf only.
- Glasses should be placed on the top shelf on top of the stickup grills which are located on the central parts of the top shelf. This will stop them from moving around and therefore breaking.
- This will also ensure that all the items are cleaned appropriately as all dishwashers are designed to wash plates at the bottom and cups/glasses at the top.

If anyone needs us to run through the procedure we will be more than happy to help. Please contact reception on extension 9000.

Additionally if anyone has any questions or queries please don't hesitate to ask.

Cheers to the New Year!

Now that Christmas is over, its time to set your New Year's resolutions.

There is no better way to do this than hosting a team meeting!

Enjoy 20%\* off all meetings booked in Hofmann throughout January so that you can set your team goals for the year ahead!

### Winter Weather

With the weather getting colder, there will be a chance of snow and ice. It is important all persons adhere to common sense protocols and accept they have a responsibility for personal safety by following simple rules:

- Snow and ice present health and safety risks, as the potential for slips, trips and falls increases significantly.
- Walk, don't run.
- Wear appropriate footwear with a non-slip sole.
- Try where possible to keep your hands free of objects in order to aid balance and minimise the effects of a slip, trip or fall.
- Allow more time for your journey.
- Be mindful of slipping while walking, particularly when using ramps and steps.
- If driving be mindful of skidding when leaving car parks as they may not have been gritted.
